PUBLICATION/DATE: LETABA HERALD (25 FEBRUARY 2022)

HEADLINE: BOERE IN POLITSI TAKEL KRAGKRISIS

REVIEW: The article reports about a working partnership between the Greater Tzaneen Municipality and private businesses including members of ZZ2 to resolve electricity issues. The partners met and revolved to working as a team to ensure that residents electricity problems are resolved, the team has since made progress and collective efforts of grass cutting has been done where the over grown grass tempered with the electricity lines that result to power failure.
