Dear Cllr Pule Shai,

VISIT BY THE MINISTER OF TOURISM 11TH MARCH 2021

Executive Mayor, the Minister of Tourism, Mme Mamoloko Kubayi-Ngubane has contacted my office informing me about her planned visit into the province on the 11th March 2021.

The purpose of her visit is to handover proceeds from a fundraiser that was held on the 11th December 2020, the fundraiser was held to raise funds for establishments that are finding it difficult to survive due to Covid-19, in particular establishments owned by women, black women.

With the revitalization of the Rural and Township Economy a responsibility of the department, I have identified Nkowa-Nkowa, Tzaneen as a location where the handover will take place.

The Minister will hand over proceeds to 5 establishments that have been selected throughout the province, this establishments will also have an opportunity to be trained by the National department.

The handover will be held on the morning of the 11th March 2021 and full details and arrangements for this will be shared between my office and your office, it will be appreciated if you could designate an official that will be a point of contact on behalf of the municipality for the purpose of planning.

As per above details I therefore invite you, together with the MMC responsible for Economic Development and Tourism to form part of the handover.

The contact person for all arrangements and enquires for this visit in my office is Mr. Abel Matsimela, 071 603 6760, MatsimelaRA@ledet.gov.za , he will work closely with your office to ensure that arrangements for this handover are properly managed.

Executive Mayor, adherence to Covid-19 Level 1 Regulations will be crucial in the arrangement of this visit, may your office bear this in mind as you decide on officials from your municipality that will form part of the activities.

Attached herewith is a draft running order of activities for the day, please note that a final program will be shared with your office once finalized.
