DATE: 10/10/2022

GTM MEN'S HEALTH AWARENESS: 20 OCTOBER 2022

A men's health awareness campaign is planned to heighten awareness on preventable health challenges and encourage early detection and treatment of disease among men.

The plan is that the men should have a Fun Walk lead by the Mayor, Councillors and Municipal Manager for only 4kms, from the *main building, via Agatha, Danie Joubert, Sapekoe, Claude Wheatley, Skirving, Peace Street and head to Tzaneen Swimming Pool* for a short formal programme.

Speakers from Department of Health, ANOVA and other stakeholders will focus on issues related to Men's Health and is planned as follows: -

DATE : 20 OCTOBER 2022
VENUE : TZANEEN SWIMMING POOL
TIME : 07:30 – 13:00

It is requested that ALL GTM men be released from their duties to attend this important wellness event. All men are advised to wear comfortable sports attire on the day as there will be a physical activity.

Hope that you find the request to be in order.

Regards

PN Sethako
OHS Practitioner
