GREATER TZANEEN MUNICIPALITY

FINANCE DEPARTMENT

VIREMENT POLICY

1. INTRODUCTION

- 1.1 Webster's New Millennium Dictionary of English defines "**Virement**" as "***a regulated transfer or re-allocation of money from one account to another, especially public funds.***"
- 1.2 A virement represents a flexible mechanism to effect budgetary amendments within a Municipal financial year.
- 1.3 Changing circumstances and priorities during a financial period may give rise to a need to virement (transfer) funds within or between approved Votes, as defined in the Municipal Finance Management Act 56 of 2003 (MFMA). The treatment of such instances may, however, be dependent on whether an adjustments budget is required or not.

2. PURPOSE

- 2.1 The Chief Financial Officer has a statutory duty to ensure that adequate policies and procedures are in place to ensure an effective system of financial control. A Municipality's virement policy and its underlying administrative process within the system of delegations is one of these controls.
- 2.2 Section 81(1)(d) of the MFMA states ***inter alia*** that "*The Chief Financial Officer of a Municipality:- must advise senior managers and other senior officials in the exercise of powers and duties assigned to them in terms of section 78 or delegated to them in terms of Section 79;...*"
- 2.3 It is the responsibility of each Director of each Department to which funds are allocated, to plan and conduct assigned operations so as not to expend more funds than budgeted and to ensure that funds are utilised effectively and efficiently.
- 2.4 Section 78 (1)(b) of the MFMA states ***inter alia*** that "*Each Senior Manager of a Municipality and each official of a Municipality exercising financial management responsibilities must take all reasonable steps within their respective areas of responsibility to ensure:- (b) that the*

financial and other resources of the municipality are utilised effectively, efficiently, economically and transparently;...”

- 2.5 This policy aims to provide guidelines to senior management in the use of virements as a mechanism in their day-to-day management of their budgets in addition it specifically aims to empower senior managers with an efficient financial – and budgetary system to ensure optimum service delivery within the current legislative framework of the MFMA and the Municipality’s system of delegations.

5. VIREMENT REQUIREMENTS

- 5.1 The virement process represents the major mechanism to align and take corrective (financial / budgetary) action within a department during a financial year.
- 5.2 In order for a “vote” (department) to transfer funds from one division or capital project to another division or capital project, a saving has to be identified within the monetary limitations of the same department.
- 5.3 Sufficient, (non-committed) budgetary provision should be available within the “giving” vote’s division or project concerned to give effect to the budgetary transfer (virement). In addition, the transferring function must

clearly indicate to which division or capital project the budget provision will be transferred to and provide a clear motivation for the transfer.

- 5.4 Any budgetary amendment of which the net impact will be a change to the total approved annual budget allocation and any other amendments not covered in this policy are to be considered for budgetary adoption via an adjustment budget (per MFMA Section 28).
- 5.5 In terms of Section 17 of the MFMA a municipality's budget is divided into an operating and capital budget and consequently no virements are permitted between Operating and Capital Budgets.
- 5.6 Virements are permitted to shift funds between items, projects, programmes and votes on condition that the requirements of the Virement Policy is adhered to. Not more than 5 percent of the budget may be moved to or from a vote, programme and project.
