REPORT ON 2015 MATRIC

BACKGROUND

The 2015 matric results were released by Minister of Basic Education Angie Motshega on the 5th of January 2016.

The matric pass rate has seen a decline both nationally, provincially and locally.

Greater Tzaneen Municipality has ten (10) circuits in its jurisdiction.

A majority of the circuits have seen a decline in the pass rate with Nkowankowa Circuit the only circuit that has improved in terms of percentages.

Only two schools (St George and Meridian College) both from Nkowankowa Circuit and both private have achieved a 100% pass rate with St George achieving 100% Bachelor.

Back to school campaign

RECOMMENDATIONS

- That Councilors visit various schools as part of government's back to school campaign.
- That five teams are formed, one team to be led by the Mayor and the other four teams to be led by cluster chairpersons.
- That other members of the Executive committee who are not chairpersons of clusters accompany the team that will be in the cluster where they live.

- That ward councilors and PR councilors attend campaign in their respective clusters.
- That each team visit the best performing school, the worst performing school and at least one school that was visited last year to monitor progress and provide feedback on issues raised.
- That the Mayor hosts a breakfast on Monday, 11 January 2015 at 08h30 with all 10 circuit managers and the top three learners from each circuit, their parents and school principals.
