## **MEDIA STATEMENT**

**Subject: Adam's Farm (Section 78)**

This inquiry is about the new development houses at Adams farm, a few kilos after the Mopani District's disaster management centre.

**1. How many houses have been built/are built at this stage?**

- There are no houses built at this stage due to lack of water ,such developments can only take place after 2 reservoirs are built and the upgrading of the water purification plant in George's Valley and the bulk water network by the District Municipality which is the Water Service Authority.
- The only developments done by the Municipality so far through Cooperative Governance, Human Settlements and Traditional affairs (COGHSTA) is water, sewer and sewer pump station.

**2. Is development continuing?**

- Yes, a developer is currently on site for electricity developments.

**3. Are services to the existing development rendered?**

- No

**4. How many plots are to be developed?**

- 200 sites have been identified so far.

**5. It is alleged that ex-premier Cassel Mathale is involved in this project. Can you confirm these allegations?**

- The developer that council has approved is Ngoma Trading and it is not directed by Cassel Mathale.
