PROJECT SITE VISIT BY THE COMMITTEE.

The committee was not able to conduct the project site visit during the quarter under review, due to the restrictions of the Disaster Management Act of 2005

RECOMMENDATIONS

- 1. That Council approves the oversight report on the 2020/2021 2nd quarter Service Delivery Budget Implementation plan report with these recommendations:
 - a) That the Accounting Officer ensures that going forward the Risk Management progress reports serve in the Audit Committee before being tabled in Council, as indicated on page 13 of the report.
 - b) That the municipality consider conducting the Disaster awareness through other means of communication to ensure that awareness is conducted in line with the Covid-19 regulations.
 - c) That 75 of the 147 key performance indicators not met as indicated on page 21 of 190 of the report be prioritised, and a report on performance of the KPI's be reported in the next quarter.
 - d) That the ward committee reports be consolidated and tabled in Council quarterly, to ensure that ward activities find expression in Council.
 - e) That the appointment of service providers for the Annual Workplace Plan be finalised to ensure that the workplace training is implemented.
 - f) That Accounting Officer ensures that the Rural Waste Service Areas, are serviced as per the programme as indicated on, page 76 of the report.
 - g) That fast-tracking of graders repairs and procurement of additional machinery be prioritised.
