

GREATER TZANEEN MUNICIPALITY TO HOST DISTRICT WARD COMMITTEE CONFERENCE

The Greater Tzaneen Municipality will host the Mopani District Ward Committee Conference from 22 to 23 August 2019. Hundreds of delegates amongst them ward councillors and ward committees members are expected to converge at Karibu Leisure Resort tonight to register for the two day conference.

Delegates will come from all five local municipalities within the Mopani District Municipality namely Letaba, Tzaneen, Giyani, Ba-Phalaborwa, and Maruleng.

Ward committees are an important part of the local government system as they bridge the gap between local municipalities and their residents. Members of ward committees are only paid stipends to cover telephone, travel and food as they serve on a voluntary basis.

Various government departments and entities are expected to make presentations during the conference.

The conference will be officially opened by the Executive Mayor of Mopani District Municipality, Councillor Pule Shai.
