

MAYOR MEETS HAENERTSBURG AND MAKGOEBASKLOOF STAKEHOLDER ON ELECTRICITY

The Mayor of the Greater Tzaneen Municipality, Councillor Gerson Molapisane today met with the stakeholders from the communities of Haenertsburg and Magoebaskloof to discuss service delivery issues affecting their communities.

The two areas are located in the mountainous parts of the municipality and often suffer from power cuts caused by harsh weather conditions.

The stakeholders complained about vegetation, communication, and constant power outages and requested the urgent intervention of the Mayor.

Mayor Molapisane was accompanied by Andrew Laubscher, who is the Manager for electrical Operations and Maintenance with his technical team.

The municipality plans to implement its plans and projects by the end of January 2022.

In conclusion, the Mayor said, “I am here today to listen to your problems and promise that by the end of my term, most of the problems will be history. I will leave a mark for the Haenertsburg community”.
