

MUNICIPALITY'S MAIN BUILDING CLOSED FOR RENOVATIONS

The Greater Tzaneen Municipality's main office in Tzaneen is closed to the public from 25 May 2020 to 29 May 2020 due to renovations. The renovations are undertaken to ensure that the building comply with hygiene standards and measures put in place by government in combating Covid_19.

The renovations will be completed on Saturday, 30 May 2020. We will resume with most municipal services on Monday, 1 June 2020. Essential services related to water, electricity, traffic, waste removal and maintenance of public infrastructure for basic services will continue uninterrupted.

For any electricity related queries contact our call center at 082 679 0720.

If you want to make payments on your municipal account you can do so via EFT on our ABSA account (4051444332). Use your account number as reference number. You can as an alternative pay your account at any Checkers, Shoprite, Pick n Pay, Pep or Boxer.
