INTRODUCTION:

Greater Tzaneen Municipality seeks the services of qualified vendors to prepare and migrate the server room infrastructure to a new location. The successful bidder will prepare the new server room and migrate all network components, including fiber and copper CAT6 cabling, switches, servers, and other facilities to the new server room.

SCOPE OF WORK:

The scope of work includes, but is not limited to the following:

- Conduct a thorough assessment of the current server room and network infrastructure.
- Develop a detailed migration plan, including timelines, resources, and risk mitigation strategies.
- Preparation of the new server room space, including installation of racks, power distribution units (PDUs), and cooling systems as required.
- Migration of existing fiber and copper Cat6 cabling infrastructure to the new server room.
- Migration of network switches, ensuring proper configuration and connectivity.
- Migration of servers, including physical relocation, reinstallation, and configuration as necessary.
- Migration of other facilities such as UPS systems, and environmental monitoring equipment.
- Installation of the access control.
- Testing and validation of all migrated components to ensure functionality and performance.
- Documentation of the migration process, including as-built drawings, configuration records, and test results.
- Provide training to Municipality staff on the new server room and network infrastructure.

REQUIREMENTS:

The successful bidder must meet the following requirements:

- Demonstrated experience in server room preparation and network migration projects.
- Availability of necessary equipment and resources to complete the migration within the specified timeline.
- Compliance with all relevant regulations and industry standards for Data Centre and Network Infrastructure (i.e., ISO 27001).
- Ability to provide three (3) months warranty and support services following the completion of the migration.

PROPOSAL SUBMISSION:

Interested vendors are invited to submit proposals addressing the requirements outlined in this tender specification. Proposals should include:

- Company profile, including relevant experience and qualifications.
- Proposed approach and methodology for the server room preparation and migration.
- Timeline and schedule for the migration project, including key milestones and deliverables.

- Cost estimate, including itemized pricing for labor, materials, and any additional services.
- References from previous clients for similar projects, at least two (2) references for the work done.
- Compliance with requirements and ability to meet project deadlines.
- Cost-effectiveness of the proposed solution.
- References and past performance on similar projects, at least two (2) references for the work done.
