PUBLIC NOTICE

WATER DISRUPTION: RESERVOIR CLEANING AND DISINFECTION

As the Greater Tzaneen Municipality we are continuing with our reservoirs cleaning and disinfection programme. We are going to clean our reservoirs in Georgies Valley. This exercise will affect water distribution in the following areas.

- Industrial site
- Testing station
- Flora Park
- Aqua park
- Premier Park
- Arbo Park
- Circle Drive
- King Edward Street
- Park Street
- Peace Street

Residents should note that water pressure in the above-mentioned areas will be at its lowest on Tuesday (19 April), Thursday (21 April) and Friday (22 April).

The Greater Tzaneen Municipality would like to appeal to residents in the affected areas to be cooperative during the process and ensure that they have sufficient water when the cleaning takes place.

We would like to thank all our residents in the town of Tzaneen for your cooperation during our previous cleaning and disinfection programme. We expect the same cooperation this time around.
