1. INTRODUCTION

This report relates to the investigation of unauthorized expenditure of R115 005 415.00, irregular expenditure of R43 859 593.53 and fruitless and wasteful expenditure of R943 172.36 in 2015/2016 financial year. In terms of section 62 of the Municipal Finance Management Act No. 56 of 2003 (herein referred to as “MFMA”), the accounting officer is responsible for managing the financial affairs of Greater Tzaneen Municipality (GTM) and he must, for this purpose, inter alia:

- a) Take all reasonable steps to ensure that unauthorised, irregular; fruitless and wasteful expenditure and other losses are prevented; and
- b) Ensure that disciplinary or, when appropriate, criminal proceedings are instituted against any official or councillor of the municipality who has allegedly committed an act of financial misconduct or an offence in terms of Chapter 15 of the MFMA.

This is to ensure the effective, efficient and transparent systems of financial, risk management and internal control.

Section 32 (2) of the Local Government Municipal Finance Management Act 56 of 2003 “unauthorised, Irregular, fruitless and wasteful expenditure”. States that: “*a Municipality must recover unauthorised, irregular, fruitless and wasteful expenditure from the person liable for such expenditure unless the expenditure-*

- (a) *In case of unauthorized expenditure. is*
 - (i) *authorised in an adjustment budget; or*
 - (ii) *Certified by the municipal Council, after investigation by the council committee as irrecoverable and written off by Council; and*
- (b) *In case of Irregular or fruitless and wasteful expenditure, is, after investigation by a Council Committee, certified by the council as irrecoverable and written off by the Council.”*

2. LEGISLATIVE MANDATE

Irregular Expenditure

MFMA Circular No 68 Municipal Finance Management Act No. 56 of 2003 on Unauthorised, Irregular, Fruitless and Wasteful expenditure states that;

In terms of section 32(2)(b) irregular expenditure may only be written-off by Council if, after an investigation by a council committee, the irregular expenditure is certified as irrecoverable.

In other words writing-off is not a primary response, it is subordinate to the recovery processes,

GTM UIF INVESTIGATION REPORT FOR 2015/2016 FY

and may only take place if the irregular expenditure is certified by Council as irrecoverable, based on the findings of an investigation.

With reference to (a) as defined, - in terms of section 170 of the MFMA, only the National Treasury may condone non-compliance with a regulation issued in terms of the MFMA or a condition imposed by the Act itself. The municipal Council therefore has no power in terms of the MFMA to condone any act of non-compliance in terms of the MFMA or any of its regulations.

With reference to (b) as defined – there is no provision in the MSA that allows for a contravention of the Act to be condoned. Nevertheless, should a municipality wish to request that an act of non-compliance with any provision of the MSA be condoned, then the accounting officer should address the request to the Minister of Co-operative Governance and Traditional Affairs, who is responsible for administering the MSA. The resultant expenditure should however be dealt with in terms of section 32(2) of the MFMA.

With reference to (c) as defined – there is no provision to allow irregular expenditure resulting from a contravention of the Public Office-Bearers Act to be condoned. This is consistent with section 167(2) of the MFMA, which provides that such irregular expenditure cannot be written-off and must be recovered from the political office-bearer concerned.

With reference to (d) as defined – a council may condone a contravention of the council approved SCM policy or a by-law giving effect to such policy, provided that the contravention, is not also a contravention of the MFMA or the SCM regulations, in which case (a) applies and then only National Treasury can condone a contravention of the SCM regulations. Any such requests must be accompanied by a full motivation and submitted to mfma@treasury.gov.za for consideration.

Unauthorised Expenditure

MFMA Circular No 68 Municipal Finance Management Act No. 56 of 2003 on Unauthorised, Irregular, Fruitless and Wasteful expenditure states that;

"In considering authorisation of unauthorised expenditure, Council must consider the following factors:

- (i) *Has the matter been referred to Council for a determination and decision?*
- (ii) *Has the nature, extent, grounds and value of the unauthorised expenditure been submitted to Council?*

GTM UIF INVESTIGATION REPORT FOR 2015/2016 FY

- (iii) *Has the incident been referred to a council committee for investigation and recommendations?*
- (iv) *Has it been established whether the Accounting Officer or official or public office bearer that made, permitted or authorised the unauthorised expenditure acted deliberately or in a negligent or grossly negligent manner?*
- (v) *Has the Accounting Officer informed Council, the Mayor or the Executive Committee that a particular decision would result in an unauthorised expenditure as per section 32(3) of the MFMA?*
- (vi) *Are there good grounds shown as to why an unauthorised expenditure should be authorised? For example:*
 - *the Mayor, Accounting Officer or official was acting in the best interests of the municipality and the local community by making and permitting unauthorised expenditure;*
 - *the Mayor, Accounting Officer or official was acting in good faith when making and permitting unauthorised expenditure; and*
 - *the municipality has not suffered any material loss as a result of the action.*

In these instances, the council may authorise the unauthorised expenditure. If unauthorised expenditure is approved by Council, there would be no further consequences for the political office-bearers or officials involved in the decision to incur the expenditure.”

Fruitless and Wasteful Expenditure

The processes to respond appropriately to fruitless and wasteful expenditure are similar to the following three processes outlined for irregular expenditure:

- (i) *disciplinary charges against officials and political office bearers;*
- (ii) *criminal charges against officials and political office-bearers; and*
- (iii) *recovery of the fruitless and wasteful expenditure from the liable persons.*

The description of the categories of irregular expenditure in the above three instances can be applied directly to fruitless and wasteful expenditure. The difference is that fruitless and wasteful expenditure can arise in any circumstance and is not dependent on non-compliance with any legislation.

Council should follow section 32(2)(b) of the MFMA when dealing with instances of fruitless and wasteful expenditure. Section 32 (2) MFMA No 56 of 2003 “Unauthorised, Irregular, fruitless and wasteful expenditure”. States that:

GTM UIF INVESTIGATION REPORT FOR 2015/2016 FY

"a Municipality must recover unauthorised, irregular, fruitless and wasteful expenditure from the person liable for such expenditure unless the expenditure-

- (a) *In case of unauthorized expenditure, is*
 - (i) *authorised in an adjustment budget; or*
 - (ii) *Certified by the municipal Council, after investigation by the council committee as irrecoverable and written off by Council; and*
- (b) *In case of Irregular or fruitless and wasteful expenditure, is, after investigation by a Council Committee, certified by the council as irrecoverable and written off by the Council."*
