

URGENT PUBLIC NOTICE: WATER SHEDDING IN TZANEEN

Residents of Tzaneen Town are hereby notified of the immediate implementation of water shedding in Tzaneen.

The water shedding is implemented due to the significant drop in water levels at the Tzaneen Dam which is a source of water for the town of Tzaneen and its various suburbs. The water level at the dam is below 10 %.

The water shedding will affect both residential areas and central business district (CBD). Residents are urged to use water sparingly as the situation is dire.

Water Shedding will take place as per the schedule below:

Sunday: No water shedding on Sunday

Monday: All residential sites except CBD water shedding from 09H00 to 16H00

Tuesday All residential sites except CBD Water shedding from 09H00 to 16H00

Wednesday: No water shedding on Wednesday

Thursday: All residential sites except CBD Water shedding from 09H00 to 16H00

Friday: All residential sites except CBD water shedding from 09H00 to 16H00

Saturday: No water shedding on Saturday
