PUBLIC NOTICE

PUBLIC NOTICE: LEVEL 6 DISRUPTIVE RAIN

Residents of the Greater Tzaneen Municipality are cautioned of a tropical depression identified as Ex-Ana currently experienced over parts of Zimbabwe. It is expected to push its outer bands over Limpopo with strong convergence and perpendicular flow along the escarpment and Lowveld regions of Limpopo from yesterday and today. This will cause showery conditions and may likely result in significant impacts, especially in vulnerable communities.

Following impacts could be expected:

- Flooding of roads and settlements (informal and formal).
- Danger to life, especially those living near rivers and streams (fast-flowing streams/deep water).
- Major disruption of traffic flow due to some roads being flooded as well as poor driving conditions.

Residents are encouraged to adhere to the following Instructions:

- If possible stay indoors and off the road
- Avoid crossing rivers and swollen streams where water is above your ankles
- If trapped in a vehicle during a flood, abandon it and climb to higher ground
- In buildings, move to a safe place above the expected flood level

Therefore, should any of the above-mentioned result in an emergency that needs urgent attention, please call: **Disaster Management Officer Rabothata MM@072 657 7226 OR 015 307 8320 or Mo-pani District Disaster Management Call Centre@ 015 307 7000**
